Community Affairs Programs

Jacob Lessington
Fire Education Specialist

Claudie Nash
Special Projects Manager

Arthur Raynor
Fire Education Specialist

Fire Safety and Fire Prevention Education Programs are a critical part of the services offered by the Atlanta Fire Rescue Department. In FY 2015, AFRD responded to 93,725 calls for service; 15% of those calls were fires, and 76% were medical emergencies.

Statistics show that fire safety and health education can reduce both the numbers and effects of fires, and keep residents safer.

The Atlanta Fire Rescue Community Risk Reduction team urges you to contact us to set up an informational or educational session soon. Most accidents occur as a result of carelessness, negligence or lack of awareness. Our programs are designed to provide children and adults with the skills and knowledge they need to create a safer environment for themselves, their families and the community at large.

Fire Safety Programs

General Fire Safety Programs are offered to everyone in the community, including, but not limited to, youths, adults, seniors, businesses, community groups and civic organizations. The programs are designed to meet the specific needs of your group.

Business Programs

- ◆ Fire Safety in the Workplace
- ◆ Fire Evacuation Training
- ◆ Fire Extinguisher Training
- ◆ Fire Drills

School-age/Day Care Programs

- ◆ Fire Safety (age appropriate)
- ◆ Fire Safety House Demonstration
- ◆ Junior Fire Marshal Program
- ◆ Youth Fire Setters Program
- ◆ National Fire Safety Month Activities
- ◆ Explorer Program

Senior Citizen Programs

- ◆ Fire Safety
- ◆ Fall Prevention

Places of Worship Programs

- ◆ Fire Safety
